Aslam Dhikrullahi
Product Designer in Lagos, Nigeria

About

I am Aslam Dhikrullahi, a Digital Product designer, Visual Identity designer crafting experiences across Products, Brands & Web

Work Experience

2023 — Now	**Design Lead at Techstars Community** Remote I created Techstars Community Brand Visual Identity. Currently designing on Bookslab, an app being developed by the community.
2018 — Now	**Graphics Designer at Alvoice Solutions** Lagos, Nigeria I create visual concepts that effectively convey ideas and drove company sales. I develop layout and production designs for diverse applications, including advertisements, brochures, magazines, and corporate reports. I determine the most suitable medium, whether print or web, for each project. Additionally, I present designs to clients, seeking their approval or incorporating modifications to ensure client satisfaction.
2021 — Now	**IT Support Specialist at Emporg Limited** Lagos, Nigeria I provide personalized technical support to users I troubleshoot hardware and software issues I assist with installation and configuration, and maintaining documentation I also contribute to network and system maintenance, stayed up-to-date with new technologies, implemented security measures, provided remote support, and assisted in project teams for system deployment and maintenance.
2021 — 2022	**Graphics Designer at WeTheEcho** Remote I created captivating visual concepts that effectively drove company sales. I developed the overall layout and production design for diverse applications, including advertisements, brochures, magazines, and corporate reports. I adjusted layouts based on valuable feedback from clients and team members, ensuring the final designs met industry standards. I presented designs to clients for approval or modification, as I aimed to deliver exceptional visual solutions.

| 2018 — 2018 | Graphics Designer at Sorai Ventures |
| | Lagos, Nigeria |

I developed captivating visuals for diverse applications. This included creating layout designs for advertisements, brochures, magazines, and corporate reports.
I determined the optimal medium, adjusted layouts based on feedback, and presented designs for client approval or modifications.
